

# THE SACRED PORTION CHILDREN'S OUTREACH

*Working on behalf of the needy children of the world who are without homes or families*

## SUMMER OF HOPE HOSTING FEES

- Cost of social worker pre-hosting visit/report and follow-up which is \$350.  
*Note: This amount of the pre-hosting visit/report is credited towards the cost of a full home study should a family decide to pursue adoption of their host child.*
- Cost of criminal background checks, fingerprinting and child abuse clearances for anyone above the age of 18 residing in your home. Cost of fingerprinting is \$10 per person plus \$29.25 to the MT Department of Justice.
- Cost of Montana motor vehicle check which is \$4 per driving record requested.
- Cost of notarizing documents required to host. This should not be more than a few dollars or no cost if able to access a free notary service.
- Medical costs that are not covered by the basic emergency medical policy provided by The Sacred Portion Children's Outreach for each child. The policy has a \$100 deductible and 20% co-payment by the host family.
- Cost of any elective vision, dental, psychological services or evaluations other than those arranged by The Sacred Portion Children's Outreach.  
*Note: Any such services must have the pre-authorization of the escort who is the child's legal guardian while in the U.S.*
- Cost of food, care and clothing throughout the child's stay. The children typically come with just one change of clothes. The cost of clothing will be determined by whether you purchase new clothing. Costs can be reduced by using clothing that your children have outgrown or collecting donations of clothing from friends and family.
- Cost of summer camp activities not covered by scholarships or The Sacred Portion Children's Outreach fundraising efforts.
- The cost for one host child to participate in the Summer Miracles program is approximately \$3,000. As a host family, you are responsible for helping The Sacred Portion Children's Outreach to raise this per child amount.
